MODERN AESTHETIC CASE

Y60

KEY FEATURES:

- Dual Chamber Mid-Tower ATX PC Case
- Designed for maximum desk appeal showcasing components
- Bezel-less Panoramic Tempered Glass
- Included PCIE Gen 4 riser for vertical graphics orientation

See your components the way they were meant to be seen. The Y60 features a 3-piece panoramic tempered glass design for the ultimate photo and display potential and a protective riser cable canopy that integrates beautifully into the case, allowing for half-height PCIE cards behind the throne of the vertical graphics card.
